Guide Book & Directory Advertising Opportunity

We are in the process of updating our annual Guide Book & Directory for the church. This book will contain everything pertinent to our church: the various ministries, organizations, committees, activities, functions and events plus a complete directory of all members. This book is being provided and direct-mailed to each family at no cost to our church, and it is again being subsidized by local businesses that advertise. If you own or manage a business and would like to find out about advertising in our book, please call the Parish Office at 610-444-4364.

Recent survey results show that 92.1% of families would rather patronize a Guide Book & Directory advertiser over a non-advertiser.

PRAYER INTENTIONS

FROM THE PASTOR

My Dear Parishioners,

Praised be Jesus Christ! Happy Summer! This past Wednesday at 12:24AM, summer officially arrived in the Northern Hemisphere and with it, we marked the longest day of the year. From this point onward, thru December, the days will slowly grow shorter as the sun begins to rise a bit later and set a bit earlier. According to the US Naval Observatory, the days get about a minute shorter on both ends. From a Church standpoint, the Summer and Winter Solstice correspond quite well to the Birth of John the Baptist and the Birth of Jesus Christ. Scripture tells us there was about a six month difference in age between the two cousins. So with Christmas being exactly six months from now, one can easily guess whose birthday we celebrate this weekend. That's right, the birth of John the Baptist! And His words/life are worth recalling.

We remember his most famous words: "I must decrease, He must increase." Well, with the decrease of worldly light from the sun beginning this week...the true light from the Son will begin to shine, more and more. May that in fact happen for each one of us as we journey through this summertime! May the Son shine more and more within us, casting out the darkness of the enemy.

Of course, with summer, the sun might be going down earlier, but the temperatures are up. And with that I need to share with you some info about our Church Air Conditioning.

On Friday, June 9, our air conditioning man was out for his semi-annual visit to inspect the AC units for the start of summer. He shared with me the following info: One of the four units that provides for the Church is out of commission and cannot be easily repaired. The remaining three units have issues and are in need of some decisions. The units themselves are 21 years old and with regular maintenance have provided well for us over the years. But they are not getting any younger and like an older body, the aches and vulnerability increase. In addition, we have 2 air handlers which bow air into the Church from the choir loft. Those units are 50 years old and again while they have served us well, they too are in need of some care. And so, with this information, some decisions are at hand and need to be made.

Thanks be to God, as I hope you have noticed, the three units are cooling the Church fairly well. They get us to 70 degrees but they do so by running a lot and are obviously not working as they ought. I pray they keep running especially through summer, but we don't know...so we need to start planning.

I have spoken together with our AC man, Mike Miller, head of our facilities committee, Marie Elliott and our finance council and currently options are being laid out. Whatever we do, I want it to be done wisely with the future in mind. To that end, options and estimates are being investigated and I will keep you posted. I know parishes that do special collection for air conditioning and as you might imagine it's always a lucrative collection. That may or may not be the route we go...at this point, we're still collecting info and I will keep you posted. My main concern at this point is that what we have continues to work. May I ask you to pray to the patron saint of AC? Whose that, you might ask? Well, I'm not sure. There is some who think that it's Santa Claus. Others suggest that Willis Carrier, the inventor of AC must be a saint. I think I'm gonna stick with Patrick!! He kicked the snakes out of Ireland, I'm sure he can keep our AC running through summer.

Peace,

Fr. Rogers

Please submit your request to the Parish Office.

Fill Us With Passion

A relationship with the Lord is not intended as a duty or an imposition. It is a bond that comes from within. It is a relationship lived with the heart: it is our friendship with God, granted to us by Jesus, a friendship that changes our life and fills us with passion, with joy. 236

PREP
Parish Religious Education Program

We in the St. Patrick PREP are part of a parish family that is deeply committed to religious education of our children. Our program strives to foster faith formation through teaching the message of Christ, celebrating of the sacraments, family involvement and community service. We encourage our children to bring Jesus into their daily lives and to become stewards of our Catholic faith.

Feel free to contact the St. Patrick PREP office by phone at 610-444-2214, by email, stpatdre15@gmail.com or by mail, 205 Lafayette Street, Kennett Square, PA. 19348.

Reflections of Pope Francis

From June 21 to July 4, Catholics across our nation are observing a "Fortnight for Freedom". Why do we need this time of prayer, study, and action about religious liberty? Pope Francis reminds us of the following truth: "Religious freedom certainly means the right to worship God, individually and in community, as our consciences dictate. But religious liberty, by its nature, transcends places of worship and the private sphere of individuals and families. Because religion itself, the religious dimension, is not a subculture; it is part of the culture of every people and every nation."

(Excerpt from Pope Francis' Meeting for Religious Liberty with the Hispanic Community and Other Immigrants at Independence Hall, Philadelphia.)

Lord, help me to remember
that nothing will happen
to me today that You and I
together can't handle.

FAITH FORMATION

Fortnight for Freedom
June 21 – July 4

From June 21 to July 4, Catholics across our nation are observing a "Fortnight for Freedom." Why do we need this time of prayer, study, and action about religious liberty? We continue to see increasing violent persecution of religious believers around the world, and we pray that the Fortnight will lift up the sacrifice of these believers. We can honor them by robustly living our faith and by welcoming those who have survived religious persecution and who now seek asylum here in the United States. (United States Conference of Catholic Bishops Talking Points on the Fortnight for Freedom.)

Prayer for the Protection of Religious Liberty

O God our Creator, from your provident hand we have received our right to life, liberty, and the pursuit of happiness. You have called us as your people and given us the right and the duty to worship you, the only true God, and your Son, Jesus Christ. Through the power and working of your Holy Spirit, you call us to live out our faith in the midst of the world, bringing the light and the saving truth of the Gospel to every corner of society.

We ask you to bless us in our vigilance for the gift of religious liberty. Give us the strength of mind and heart to readily defend our freedoms when they are threatened; give us courage in making our voices heard on behalf of the rights of your Church and the freedom of conscience of all people of faith.

Grant, we pray, O heavenly Father, a clear and united voice to all your sons and daughters gathered in your Church in this decisive hour in the history of our nation, so that, with every trial withstood and every danger overcome—for the sake of our children, our grandchildren, and all who come after us— this great land will always be "one nation, under God, indivisible, with liberty and justice for all."

We ask this through Christ our Lord. Amen.
