What can U Do?

Dear Parishioner,

We are presenting you with a wonderful volunteer opportunity to share your God-given gifts – your time, your talent, and above all, your faith – with the children of St. Patrick Parish.

As you know, the success of the parish's Religious Education Program depends on the efforts of volunteers. Without you, the program cannot adhere to the high standards to which parents and students have grown accustomed. With you, the possibilities for enhancing the program and enriching our children are endless.

The ways in which you can help are listed below. We offer training and the support of many resources. Please read the list. Pray about it. Mail or drop off the entire form to the parish office and we will be in touch with you. **Remember, everyone is busy, but if you don't make time to share the Faith with these children, who will?**

God will not be outdone in generosity. If you open your heart to give of yourself, you will be amazed at what the Lord accomplishes through you. Thank you for saying yes!
