

My Dear Parishioners,

Praised Be Jesus Christ! We are familiar with the phrase, ***“misery likes company”*** and certainly, in our modern day, misery has a lot of it. There’s no shortage of “miserable” situations out there. While it may like company, what misery really needs is compassion, understanding and grace. In short, it needs Jesus and Jesus-filled people to respond to it.

In Lent, we look toward Jesus in His misery and we find His company. St Theresa of Avila said it this way:

*“When we are overcome by sadness, fear, or suffering;  
when the pains of loss overwhelm us;  
when evil seems to have taken power;  
**let us look to the cross and be filled with peace,**  
knowing that Christ has walked this road and walks it now with us  
and with all our brothers and sisters.”*

Such looking is not just comforting to us but it transforms us so as to give to others. Looking upon His cross helps us to see Him in every cross. Thus, the power of Christian Faith.

Last week, I wrote about prayer, the importance of the daily examen. This week, consider the nature of penance and fasting. Through penance, we choose to be with Jesus, to come out of ourselves and to come over to Him. Fasting and penance has a form of feasting on Him so as to be available to others. Consider The Lenten Litany on Fasting and Feasting found in this bulletin. More than a poem, there is wisdom here and direction that can make our penance a real gift to others.

Peace,

Fr. Rogers
